Buckets of Fresh Florals

Bucket of Flowers: 65 stems including focal, filler, and foliage
Farmer's Color Choice: \$150
Buyer Color Choice: \$225

This is ideal for someone that wants to craft and personalize their own wedding. We provide the flowers and you design!

Our buckets are a combination of focal flowers (main eye catching blossoms such as ranunculus, peonies, foxglove, zinnias, etc.), filler flowers (blossoms that add intrigue and fullness) and foliage. A balanced arrangement has all of these elements.

The "Farmer's Choice" is a beautifully blended color palate selected by us. If you have a desired color scheme, then the "Buyer's Color Choice" is suggested.

Because we offer seasonal flowers, you can not specify a particular bloom. You will receive the freshest flowers that are growing in the field at the time of your wedding.
