A la Carte Fresh Florals

Arrangements

Bud Vases: \$20 each

A collection of floral stems and greenery to add delicate beauty, color, and texture to your wedding table. Assorted clear small vessels hold several stems. We suggest approximately 8 for an 8' farm table or clusters of 5 for round tables.

Small Centerpiece: \$125

These small sized arrangements are perfect for your long wedding table as they are designed to be viewed from all sides and are low so you can easily see over the blooms. We suggest approximately 3 for an 8' farm table.

Medium Centerpiece: \$185

Designed in a low vessel such as a compote and suggested for a round wedding table. A lush full arrangement.

Large Arrangement: \$395

This grand urn arrangement can be used around the ceremony space or focal area at the reception.
